ROTARY DISTRICT GOVERNOR 9780
BRIAN TRENERY

WEEKLY ISSUE 08 : TUESDAY 23rd AUGUST 2011 Membership & Extension Month

MESSAGE FROM THE PRESIDENT

WE ARE MOVING 30TH AUGUST Our meeting will be at the Warrnambool Football Club, Cramer Street. Normal time...

THE LAST SUPPER.

At last night's meeting there were 10 Club members absent and who also neglected to advise David Brown that they wouldn't be attending. Because of this the Golf Club was told that the expected number of meals required on the night would be 36. Only 29 meals were taken, so our Club had to pay for the wasted meals - a loss of \$140 from Club funds. Unfortunately this isn't an unusual occurrence - the same thing happened last week and the same loss occurred. Large and small similar losses have been going on at least since January. We go out and fund-raise, only to see the money flying out the window in dribs and drabs because we can't get the catering numbers right due to Club members forgetting to tell David Brown if they aren't going to be attending a meeting. The Warrnambool Football Club have informed us that they will require accurate numbers for catering purposes otherwise we will be expected to pay for any discrepancies. PLEASE! PLEASE! PLEASE! Ring David Brown if you anticipate that you will not be attending a Club meeting. Also tell him if you are bringing a guest, and tell him as well if you will not be eating.

Rtn Roy Slater

Passed on greetings from Elizabeth Nolan and Michael Boyd.

Rtn Iand Sadler

Have you got relatives/friends/family who live out of Warrnambool, but rarely come to visit? Here is a solution.

We have two vouchers for one night's accommodation in a Studio apartment including a Continental Breakfast, at Quest Warrnambool. These vouchers are valued at \$201 each. They will be auctioned at our meeting next Tuesday.

Also for auction is a voucher for a meal at Fishtales Cafe, and a voucher for a Wyton Cooking Class, valued at \$48.

If you will not be present at the meeting next week, you may submit a bid for any of these items by email to me.

Rtn Kate Williams

Advised that Our exchange student Julia is about to move to her first host family. Please feel free to include her in any of your outings.

Rtn John Nisbet

John Nisbet announced that Betty's yo-yos and florentines have raised \$1,029 for Rotary House. They will now be available fortnightly, which is sad for we sweet tooths but good for those who ever want to wear bathers again.

Rtn Tony Austin

Tony Austin is running a bbq at Gateway this Saturday 27/8 for Rotary House from 11-2.

Rtn Ian Cairns

Ian Cairns advised that Father of the Year interviews are now being held. See Glenda for tickets to the breakfast - \$20

GUEST SPEAER ...

Warrnambool Tooram Scout Venture group

Sue Marsh was introduced by Ann Adams. She then introduced three members of the Warrnambool Tooram Scout Venture unit - Braidan Pace, Amie Marsh and Laura Mckay. They spoke about their recent trip to Fiji to do building at a school in Sorokoba village, which was partially funded by our club.

18 young people - Venturers and Rovers - and three leaders took the trip. They were met by school prefects and welcomed in a sevu sevu ceremony. Using recycled materials, they spent six days building a sick bay and a playground for the village school. They acquired many construction skills in the process.

Highlights included attending church, celebrating one member's 18th birthday and sight-seeing after the work was completed. The students spoke confidently and were great ambassadors for their association.
